

MYOB AccountEdge Network Edition v11

THE SMARTER WAY TO MANAGE YOUR ACCOUNTING, INVENTORY AND PAYROLL WITH MULTI-USER ACCESS. ON A MAC.

MYOB AccountEdge Network Edition is ideal for small and medium-sized businesses wanting multi-user access. Benefit from partnering with Australia's leading accounting software provider, dedicated to making your business life easier.

Enjoy flexible multi-user access

- > Allow multiple Mac users to work on your accounts at the same time from different workstations

Manage sales and purchases

- > Easily produce professional quotes and invoices for items, services and time
- > Create progress quotes and invoices for each stage of work, right through to job completion
- > Simplify the process of customer payments and refunds

Monitor inventory levels and profit margins

- > Keep track of what you buy and sell, how much you have on hand, and where it is
- > Instantly see the gross profit on item sales and adjust your prices accordingly

Quickly view your financial position

- > View the following financial indicators and more at a glance:
 - Profitability
 - Inventory turnover
 - Customer analysis (eg outstanding and overdue receivables)
 - Accounts details (bank account, credit card balances and more)

Description	Quote		Current Progress		Invoice		Total Progress	
	Amount	%	Amount	%	Amount	%	Amount	%
Materials	\$214.00	30.00%	\$0.00	0%	\$214.00	100%	\$214.00	100%
Labour	\$450.00	30.00%	\$0.00	0%	\$450.00	100%	\$450.00	100%
LABOUR	\$170.00	30.00%	\$0.00	0%	\$170.00	100%	\$170.00	100%

Progress billing

Business insights

Everything you need to manage payroll

- > Process weekly, fortnightly or monthly pay runs
- > Calculate and report on PAYG, state based tax and superannuation
- > Track wage expenses, leave entitlements and bonuses
- > Generate and email payslips

Simplify GST calculations

- > Easily calculate and track your GST
- > Automatically generate your GST and know at a glance where you're at with your BAS

Invoice for time or cost of a job

- > Know exactly how much time you spend on a job and record the tasks you perform
- > Easily set budgets and report on the profitability of jobs
- > Record time and materials on the one invoice

Handle foreign currency transactions

- > Record transactions and track bank accounts held in foreign currencies
- > Keep track of realised and unrealised exchange rate gains and losses

Keep your business mobile

- > Use the iPad and iPhone app to create smarter connections in your business
- > Save time by creating quotes, orders and invoices while on a job
